DEPARTMENT OF THE INTERIOR

Circular 2009
Annual Report
1924

UNITED STATES INDIAN FIELD SERVICE
SACRAMENTO INDIAN AGENCY

Sacramento, Calif.,
September 12, 1924.

Commissioner of Indian Affairs,
Washington, D. C.

Dear Mr. Commissioner:

In compliance with Circular No. 2009 dated May 29, 1924 and Office wire of September 10, 1924, there is enclosed herewith statistical report of this jurisdiction for the fiscal year 1924.

It is to be advised that this report is not as accurate as is desired but it is believed the Office realizes that this jurisdiction is somewhat different from a reservation where the Indians, their industries, the schools, etc., are under the immediate and personal supervision of the Superintendent or one of his subordinates.

Particular attention is called to page five of this report which was estimated from the records of former years, the school census, and knowledge obtained from field work and other sources.

A census is not submitted for the reason that those in former years of the Greenville Agency and Redding sub-agency were compiled about seven or eight years ago and the only changes made thereon are such as through some particular instance were brought to the attention of the officer in charge and it is believed that there are Indians being carried on same that have been dead at least five or six years and that Indian children that are five or six years of age are not shown thereon. It is not known that a census of California Indians formerly under the Reno Agency was ever made or submitted. It is assumed that on account of tribal funds of Indians living on the Round Valley and Tule River reservations a census will be necessary and will be made, but by reason of the limited office force and congested condition of work it is a physical impossibility to do so at this time.

The cost and time incidental to a complete and accurate census of this entire jurisdiction is believed prohibited as same would require special appropriation and force to accomplish same and keep current thereafter.

Very truly yours,

La'F. A. Dorrington
Superintendent

INSTRUCTIONS

(A) A separate roll is to be made of each reservation; also, of each *rancheria* or reserve, and a separate roll of Indians allotted on the public domain or homesteading. The roll is to be based on enrollment and not on residence.

(B) Persons are to be listed by families alphabetically; that is, not only by the first letter of the surname, but also by the second and subsequent letters, when the first letter or letters are the same. For example: Abalon, Abbott, Abson, Abend, Abect; Ball, Bell, Boll, Boll; Carley, Carmen, Carton, etc. Families having the same surname are also to be listed in this way, e. g.: Brown, Anson; Brown, Bill; Brown, Charles; Brown, David. In the case of English translations of Indian names, such as John *Flying-Elk*, Flying-Elk is the surname and is to be listed under F. In such cases the first word of the translated Indian name determines the alphabetical position. The best way to accomplish this will be to write the names of each family group on a separate card; then, arrange the cards alphabetically and type the names therefrom onto the census roll.

Members of a family are to be listed in the following order: Head, first; wife second; then children, whether sons or daughters, in the order of their ages; and lastly, all other relatives and persons living with the family who do not constitute another family group.

Annuity and per capita payment rolls are also to be prepared in the same manner.

(C) A family is composed of the following members:

1. Both parents and their unmarried children, if any, living with them; all other relatives and persons living with the family who do not constitute another family group.
2. Either parent and the unmarried children, if the other parent is dead; all other relatives and persons living with the family who do not constitute another family group.
3. A single person over 21 years of age, not living with a relative.

(D) For each person the following information is to be furnished:

1. NUMBER.—A number is to be assigned in serial order. Thus, the first person listed is to be numbered as "1," the second, as "2," and so on until the census is completed.
2. NAME.—If there are both an Indian and an English name, the allotment or annuity roll name is to be given. First, the last or surname; then, the given name in full. Ditto marks are to be used under the surname of the head for the surnames of the other members of one family.
3. SEX.—"M," for male; "F," for female.
4. AGE AT LAST BIRTHDAY.—Age in completed years at last birthday is to be shown. For infants under 1 year, age in completed months, expressed as twelfths of a year. Thus, 3 months as $\frac{3}{12}$ yr.
5. TRIBE.—Care is to be taken that tribe, not band or local name, is given. Thus, Ute tribe, not Pahvant, which is a band of Ute. Likewise, Hupa tribe, not Bear River, which is a local name for the members of the Hupa tribe living near Bear River.
6. DEGREE OF BLOOD.—"F," for full blood; " $\frac{1}{4}+$ " for one-fourth or more Indian blood; " $\frac{1}{4}$," for less than one-fourth Indian blood.
7. MARITAL STATUS.—"S," for a single or unmarried person; "M," for a married person; and "Wd," for widowed of either sex.
8. RELATIONSHIP TO HEAD OF FAMILY.—The head, whether husband or father, widow or unmarried person of either sex, is to be designated as such. For the other members, the appropriate term which designates the particular relationship the person bears to the head is to be used.
9. RESIDENCE.—
 - (a) At jurisdiction where enrolled: Yes or no. The term jurisdiction includes all reservations and public domain allotments under the agency.
 - (b) Or at another jurisdiction. The name of the jurisdiction is to be given.
 - (c) Or elsewhere:
 1. Post office: Both the proper name of the post office and the class by which it is known (city, town, village, etc.) are to be given. Thus, Lewiston, city.
 2. County.
 3. State.
10. WARD.—Yes or no. Wardship depends primarily upon the ownership of individual property held in trust or upon membership in a tribe living on a Federal reservation. See Circular 2145.
11. ALLOTMENT, ANNUITY, AND IDENTIFICATION NUMBERS.—"A," for allotment; "An," for annuity; and "Id," for identification, before the appropriate number or numbers. All numbers are to be shown.

(E) Rolls not prepared in strict conformity with the above instructions will be returned for correction.
